

Washington State Department of Health

Division of Drinking Water

List of Approved Satellite Management Agencies

List Date: January 1, 2003

Disclaimer

The Washington State Department of Health, Division of Drinking Water, has prepared the following list of approved Satellite Management Agencies. All agencies listed are established pursuant to chapter 246-295 WAC. The list is organized by Region and by County. For each approved SMA, the contact person, the type of SMA service offered (i.e., Ownership, Operation and Management or Both), its service area (countywide unless otherwise specified) and the types of systems excluded for SMA services (all systems eligible unless otherwise specified), is listed. If you have questions about this list, contact your regional planner or Michele Vazquez, Planning and Conservation Coordinator at (509) 456-2774.

Information provided is considered public information and may be distributed or copied. However, lists of individuals may not be used for commercial purposes. Use for commercial purposes of lists of individuals provided by DOH in any form, including this website, is strictly prohibited under RCW 42.17.260(9). In accessing this website, you agree that you will not use lists of individuals for commercial purposes. The Attorney General's Office has stated that the prohibition encompasses a commercial purpose which involves direct contact with the individuals named on the list but is not limited to situations in which individuals are directly contacted or personally affected. AGO 1998 No. 2.
